PARKING INSTRUCTIONS

- Please park on the gravel near the first pine tree on the left. Our office is to the left of the big planter; please make sure we know you've arrived.
- If there are several vehicles with you, continue past the buildings and park on the far side of the soccer field in front of the cement wall. We hope your visit is a blessed one.
- To return to the States, go back the way you came, following the return arrows on the map. Be careful of the highway traffic on you left as you merge.
